

I pray all is well, and you are diligent in your efforts to stay healthy and keep your family and others safe and healthy, as well.

Thank you for supporting your church during this unprecedented time of trouble in our country. Your support of the church is both refreshing and heartening.

You have called to express your support. You consistently tune in to the live streaming of our services. You continue to give by mail and online which helps our church family continue our efforts to know Christ and make Him known to the world.

I am immensely grateful.

Our custodial staff has worked tirelessly to completely disinfect the entire campus. We owe them a great debt of gratitude.

I sincerely believe God is calling our nation back to Him and the Godly principles He gave us for living productive and fruitful lives.

We are now challenged to depend on Him for health, wellness, and the financial support of our families and homes.

He has driven us off the streets and back into our houses.

He has placed us in a position where we do not wait for Sunday to worship, but we call on Him daily, hourly, even moment by moment.

These are the same commands and directives He has always stressed to us as a nation, and definitively, as a church. I trust you are leaning on the Lord as your Help, Strength, Healer, and Deliverer in times such as these.

Deacons will be at the church to receive offering and to pray with you Monday, Wednesday, and Friday from 10:00 a.m. — 1:00p.m. If you need us at other times, please call the church offices at 702-648-2286. Someone regularly checks our voicemail, we will respond as soon as we can.

We will begin a daily noon prayer call soon. The call-in number will be in next week's letter.

Live streaming continues on our website www.victorymbc.org and the church app. Tune in Saturday at 6:00 p.m. or Sunday at 8:00, 9:45, or 11:15 a.m. to hear a fresh word from God on how we can move forward as a church and be an inspiration to our city and nation. Don't forget that we are also on the radio at KCEP 88.1 FM 12:30 p.m. every Sunday afternoon.

As we press forward, I am asking the Lord in prayer for creative ways to worship together while still supporting the directives of our city, state, and federal governments. Pray for our leaders; let's speak well of those the Lord has over us.

Finally, here's a word from God through me to you from the book of Proverbs. Let it minister to you - mind, soul, spirit.

Proverbs 3:5-6

- 5.Trust in the Lord with all your heart, and do not lean on your own understanding.
- 6.In all your ways acknowledge him, and he will make straight your paths.
- 7.Be not wise in your own eyes; fear the LORD, and turn away from evil.
- 8.It will be healing to your flesh and refreshment to your bones.

Peace & Blessings
